

## **AMERICA THE BEAUTIFUL**

### *VERSE:*

O beautiful for heroes proved  
In liberating strife,  
Who more than self their country loved  
And mercy more than life!

### *CHORUS:*

America! America!  
May God thy gold refine,  
Till all success be nobleness,  
And every gain divine!

### *VERSE:*

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!

### *CHORUS:*

America! America!  
God shed His grace on thee  
And crown thy good with brotherhood  
From sea to shining sea!

## **HIGHLANDS (SONG OF ASCENT) BY HILLSONG UNITED**

### *CHORUS:*

Oh, I will praise on the mountain  
And I will praise you when the mountain is in my way  
You're the summit where my feet are  
So I will praise You in the valleys all the same  
No less God within the shadows  
No less faithful when the night leads me astray  
'Cause You're the heaven where my heart is  
In the highlands and the heartache all the same

Oh

### *VERSE:*

Oh, how far beneath Your glory  
Does Your kindness extend the path

From where Your feet rest on the sunrise  
To where You sweep the sinner's past

And oh, how fast would You come running?  
If just to shadow me through the night  
Trace my steps through all my failure  
And walk me out the other side

For who could dare ascend that mountain  
That valleyed hill called Calvary  
But for the one I call Good Shepherd  
Who like a lamb was slain for me

*CHORUS:*

Oh, I will praise You on the mountain  
I will praise You when the mountains in my way  
You're the summit where my feet are  
So I will praise you in the valley all the same  
No less God within the shadows  
And no less faithful when the night leads me astray  
'Cause You're the heaven where my heart is  
In the highlands and the heartache all the same

Oh, oh, oh

*BRIDGE:*

Whatever I walk through  
Wherever I am  
Your name can move mountains  
Wherever I stand  
And if ever I walk through  
The valley of death  
I'll sing through the shadows  
My song of ascent

My song of ascent  
Oh, oh, oh

*VERSE:*

From the gravest of all valley  
Come the pasture we call grace  
A mighty river flowing upward  
From a deep but empty grave

*CHORUS:*

So I will praise You on the mountain  
I will praise You when the mountains in my way  
You're the summit where my feet are (yes You are)  
I will praise you in the valley all the same  
No less God within the shadows  
No less faithful when the night leads me astray  
You're the heaven where my heart is  
In the highlands and the heartache all the same

**AMAZING GRACE**

*VERSE:*

Amazing grace! how sweet the sound,  
That saved a wretch; like me!  
I once was lost, but now am found,  
Was blind, but now I see.

*VERSE:*

When we've been there ten thousand years,  
Bright shining as the sun,  
We've no less days to sing God's praise  
Than when we first begun.
